## PROFESSIONAL SUMMARY

Motivated and detail-oriented graduate seeking an entry-level Software Development Engineer (SDE-1) role. Strong foundation in data structures, algorithms, and software design principles. Quick learner with the ability to adapt to new technologies and best practices. Passionate about writing clean, efficient, and reliable code. Eager to collaborate with teams and contribute to building high-quality software solutions.

## SKILLS

- Programming Languages: Java, JavaScript (JS)
- Web Technologies: HTML, CSS, Web Components
- Database: MySQL

## PROFESSIONAL EXPERIENCE

### Kodnest Technologies

#### Software Development Intern

Intern at KodNest, where I acquired practical skills in Java, MySQL, Frontend Technology, Manual Testing, contributing to real-world projects and learning directly from industry professionals

02/2025 – 05/2025  
Bengaluru, Karnataka,  
India

## PROJECTS

### Learn Sphere

#### Online Learning Platform

- Developed “Learn Sphere”, a full-stack online learning platform using HTML, CSS, JavaScript, and MySQL, enabling secure user registration, course management, and payment integration.
- Designed a responsive UI/UX with Bootstrap and implemented admin and student dashboards, enhancing accessibility and user experience across devices.
- Applied OOP, DBMS, and software engineering principles to build a scalable, database-driven application with robust authentication and data validation.

02/2025 – 05/2025

### Synced Script

#### A Real-time Web-based Code Editor

- Developed a scalable real-time collaborative code editor using the MERN stack and TypeScript.
- Implemented WebSocket-based synchronization for seamless multi-user collaboration and live chat functionality.
- Designed and developed an intuitive UI/UX with theme and font adjustments, ensuring responsive design.

09/2024 – 12/2024

## EDUCATION

### Bachelor of Engineering in Computer Science

#### Jain College of Engineering and Research, Belagavi

12/2021 – 06/2025  
8.154 CGPA

### Class 12th - State (Science-PCMB)

#### Alvas Pre University College (Moodabidri)

05/2019 – 05/2021  
86.50 %

### Class 10th - State

#### HNS Kannada Medium High School (Belagavi)

05/2018 – 05/2019  
90.08 %

## ACHIEVEMENTS

### Student Development Program (SDP)

#### Speaker and Mentor

#### Hackathons, IoT & AI Tools

- Delivered an insightful session on the importance of hackathons, IoT, and AI tools for personal and professional growth, emphasizing collaboration, innovation, and real-world application of theoretical knowledge. Inspired students to explore emerging technologies, highlighting their potential in driving innovation and solving complex problems.
